My Work Plan: I choose to do each subject in any order. I do my best to do a little each day. Ms B. recommends 15-20 minutes per subject.

- Write down the time I plan to start each subject at the start of my work day. After I finish each subject, I write down the done time.
- Part of the 15-20 minutes health time is planning my day and cleaning up. Remember to plan breaks!☺️
